

**LETTER OF PROMULGATION**

1. The Kodiak Subarea Contingency Plan is the guideline for establishing operations in the event of a response effort to an oil spill or hazardous material release. This volume supplements the *Alaska Federal/State Preparedness Plan for Response to Oil & Hazardous Substance Discharges/Releases* (the Unified Plan).
2. Information contained herein will be disseminated to agencies and personnel involved in various response and cleanup activities.
3. The Kodiak Subarea Contingency Plan is the result of a joint planning effort involving members of the U.S. Coast Guard, U.S. Environmental Protection Agency, Alaska Department of Environmental Conservation, the Kodiak Island Borough and other federal, state, local and industry participants.
4. We consider this to be a living document and solicit comments and recommendations to improve and update this Plan. Please forward your comments to any of the following agencies:

Alaska Department of Environmental Conservation  
Prevention and Emergency Response Program  
555 Cordova Street  
Anchorage, AK 99501
